Fingers can wiggle, wiggle, wiggle, wiggle,	(Wiggle fingers)
Fingers can snap, snap, snap, snap.	(Open and close fingers to thumb)
Fingers can wiggle, wiggle, wiggle, wiggle,	(Wiggle fingers)
Hands can clap, clap, clap, clap.	(Clap hands)
<i>Let's go and find your writing hand</i>	
Thumb can wiggle,	(Wiggle then snap each finger separately)
Thumb can snap;	
Peter can wiggle,	(Index finger)
Peter can snap;	
Toby can wiggle,	(Middle finger)
Toby can snap;	
Ruby can wiggle,	(Ring finger)
Ruby can snap;	
Even baby can wiggle,	(Little finger)
And baby can snap;	
Everybody wiggle,	
Everybody snap.	
<i>Now let's try the other hand out (Repeat verse)</i>	
 <i>Now what does this all mean?</i>	
Fingers can wiggle, wiggle, wiggle, wiggle,	
Fingers can snap, snap, snap, snap.	
Fingers can freeze;	
Hold it still!	
Bye bye baby,	(Tuck little finger into palm)
Bye bye ring,	(Tuck ring finger into palm)
It's time to let our crocodiles sing;	(Open and close index and middle finger to thumb)
<i>Ready crocodiles!</i>	
We hold your pencil,	
We're ready to write,	
We'll help you colour,	
With all our might,	
We'll work super hard,	
We will not nap,	
But just remember,	
Crocodiles can snap!	(Keep snapping crocodile fingers, little and ring fingers should be tucked away and not moving)
Snap your ear,	(Snap right ear using middle, index and thumb)
Snap your nose,	(Snap nose)
Snap your shoulder.	(Snap left shoulder)
Snap them fast,	
Snap them slow,	
Snap them over.	(Make an arc from right to left, left to right)
